

Jens S. Group acquires Drivsystem 05 AB

We are pleased to announce that on the 1th of March Jens S. Group strengthens its service offering by the acquisition of Drivsystem 05 AB.

“There is strong strategic fit and compatibility between Jens S. and Drivsystem, and I’m very happy to have them onboard. Thanks to their highly skilled staff and strong onsite service and support, we will be able to strengthen our industrial service, advanced analytics and condition monitoring offering further,” says Johan Benzler, CEO, Jens S. Group

Drivsystem 05 AB was founded in 2006 and is located in Norrköping, Sweden. They are a Swedish provider of repair and maintenance service of gearboxes, coupling and motors. Customers are found in a wide range of industries, such as Pulp & Paper, Mining, Manufacturing, Energy and Construction. The company will continue to operate on its own operation.

“We look forward to continue our growth journey together with Jens S. Group” says Andreas Sand, Managing Director, Drivsystem 05.
